

BETHLEHEM AREA PUBLIC LIBRARY

# FIBER ARTS AND FRIENDS

Bring your knitting and crocheting (and cross stitch and sewing and macrame and...) to the Bethlehem Area Public Library to chat with fellow enthusiasts and work on your projects. There will be monthly themes and challenges and a yarn exchange to help you bust your stash or find your next WIP. All ages, experience levels, and crafts are welcome and we're happy to teach beginners!

6pm on the 1st and 3rd Tuesday of each month
